Why AKLION Kids Waterline

A pediatric line designed for comfort, protection, and play.

AKLION Kids Waterline provides **waterproof cast, bandage, dressing, and wound protective covers for children**—keeping water out so they can stay active, happy, and worry-free.

100% Waterproof

Advanced waterproof seal keeps water out completely.

Soft Comfortable Seal

Gentle, flexible seal adapts to little arms and legs for a snug, secure fit.

Reusable Options

Durable and easy to clean—made to be used again and again, saving you more.

Child-Friendly Designs

Bright, fun prints kids love—turning protection time into playtime.

Multiple Use Scenarios

From bath time to beach days—one cover, many possibilities.

Easy Care

Wipe clean or rinse and hang to dry—quick, simple, and hygienic.

— Designed for casts, bandages, dressings, and skin injuries.

Casts

Protects plaster and fiberglass casts from water.

Bandages

Keeps bandages secure and dry while healing.

Dressings

Helps keep dressings clean, dry, and contamination-free.

Skin Injuries

Shields cuts, scrapes, and sensitive skin from water and dirt.

— Applicable to arms, elbows, legs, knees, feet, and hands.

— Thoughtfully Made with Child Comfort in Mind

Soft Seal Edge

Gentle on skin with a smooth, cushioned seal for all-day comfort.

Waterproof Exterior

High-quality film repels water and resists leaks.

Flexible & Durable

Moves with your child without tearing or losing its shape.

Skin-Friendly Comfort

BPA-free, latex-free, and made with materials that care for sensitive skin.

Water stays out. Fun stays in.

Our 100% waterproof seal blocks water from every angle—so kids can enjoy showers, baths, and pool days with confidence.

Ocean Adventure Series
